

Dear Parents

Welcome to the start of Term 2. As always, this promises to be another very busy term for our pupils and teachers. The added pressure of mid-year examinations in June means that we have hit-the-ground-running with classes and extra-curricular already in full-swing.

Welcome to Ms Kelebogile Nthutang

Ms. Nthutang joins the staff as our newly appointed Head of Department Sciences, teaching biology in Grade 9 and Life Sciences Gr 10-12.

Kelebogile holds multiple qualifications, including a Bachelor of Science (NWU), Bachelor of Education (Honors) and Post-Graduate Certificate in Education (UNISA), and is currently reading for a Masters of Education at UNISA.

Ms. Nthutang will also be actively involved in our netball programme. We welcome Ms. Nthutang to the Ridgeway family and trust that she will have a long, happy time with us.

Long Weekend

Please be reminded of the upcoming long-weekend. School will be closed from Thursday 27 April to Monday 1 May (both days inclusive).

Parent consultations

Thank you to our parents who were able to meet with their child's teachers at the parent consultations yesterday evening. We had very good attendance last night, thank you for making the time available and for the commitment to your child's academic progress.

Unfortunately, due to ill health Ms. Netshitungulu and Mr. Vermeulen were not available. If any of our parents would like to make arrangements to meet with them please contact reception to facilitate a convenient meeting day and time.

Thank you 

Forest Walk – Saturday 22 April

We are excited to be able to revive our Forest Walk this year. Information has been circulated to parent via the D6 and sponsorship forms have been issued to our pupils. This promises to be a lovely morning in the natural beauty of our local forest. We expect all of our children to be in attendance and encourage parents and family members to join us for the morning walk.

Have a super weekend
