NEWSLETTER

Dear Parents

20 May 2022

NETBALL COURSE

Our netball girls were invited to attend a clinic at LTT High School last weekend. Eleven of our children were able to attend, accompanied by Mrs. Pretorius and Coach Melody. The feedback was very positive, and we look forward to strengthening our teams with this initiative.

For the
SPORT
Love of

DANCE CREW

Our Dance Crew performed for the high school at assembly this week. A polished performance demonstrating how much can be achieved in two short weeks. As we were only two weeks from the start of mid-year exams it was a fitting parallel for our children.

MATRIC PULLOVER

The white Matric Pullovers were eventually delivered, and our Grade 12s are wearing them with pride.

EDUGRO WINTER SPORT FESTIVAL

Due to the inclement weather in Benoni this weekend, the hosting school has postponed the festival scheduled for the preparatory school.

As a result, the high school festival has been postponed to next term – date still to be confirmed.

TSHIVENDA PRESENTATIONS

Our Grade 8 pupils, divided into groups to deliver information on Venda culture around four categories – origin, culture, attire and food.

We invited external and internal members of our community to assess the presentations. Our children put a lot of effort into their presentations, the top performer for each category was identified.

COUNCIL CAMP

The council departed Ridgeway College early Friday morning for Magoebaskloof Adventures. Beautiful scenery welcomed our council members upon arrival. Team building activities and obstacle courses were the order of the day.

Pupils and teachers had little sleep on Friday night – our tents down by the river were particularly cold. Despite a chilly evening, our children were exceptionally well behaved and had a fun time bonding.

KIND REGARDS

GRADE 9 SUBJECT INFO EVENING

An information session was held of Tuesday evening this week for our Grade 9 parents and pupils.

Ms. van Aswegen, the Customer Relations Marketer for Eduvos gave a helpful presentation focusing on cognitive aptitude and interests when selecting subject combinations for the Further Education and Training (FET) phase of schooling.

In addition, the Grade 10 elective subject teachers gave a summary of the value and significance of each subject to assist pupils and parents in their selection.

It was indeed a lengthy evening but worthwhile for those who were able to attend.

A copy of the presentation will be emailed to our Grade 9 parents.

EXAM TIMETABLE

The exam timetable has been updated to include the Xitsonga and Tshivenda papers. Attached for those children who write these papers.

WINTER UNIFORM

The black woolen pantyhose for our girls are available from our uniform shop @ R80- p/pair.

UPCOMING DATES..

- Sat 21 May
