COLLEGE PRODUCTION

Our High School invites you to their production, *Madea*. Which promises to be a wonderful performance that will be talked about for years to come. You may purchase your tickets from the College. Our Grade 7 Learners have received a special invitation (free of charge) and I am sure they are going to be there to enjoy. See you there!

BUSINESS MATTERS

If you are a business owner, we would love to collaborate with you! Our 54 inch television screen is waiting to showcase your products/services to the Ridgeway Community and the many visitors we receive. We look forward to assisting you and can create the ideal platform for you to advertise using our space. So get in touch with us and let us see how we can help! We will create your slideshow and manage all logistics regarding the platform. The future of business is collaboration! Contact ninke@ridgewaycollege.co.za now for more information.

WRITING CHAMPIONS

We are proud to announce that our Writing competition has concluded and congratulations to the winners... well done to all the entries.

EXTRAMURALS END

Our Extramural cycle has come to an end with our last event on Saturday where our learners competed in Polokwane in Chess and Hockey fixtures. The teachers have already prepared several events and fixtures for the new term that are exciting and will ensure that our children are developing holistically.

BOOK-WORMS

Our children seem to be enjoying the DEAR programme immensely. Regular visits to our School Library have also encouraged them to read. Sustaining a culture and love of reading is a hallmark of our school and we consistently encourage everyone to read as much as possible. Don't forget to ask your children about their favourite book and to describe the characters from the story. "Nobody dislikes reading, it may just be that you haven't found a book that captivates you yet."
