WELCOME

GOOD DAY PARENTS,

As always, the week seems to have gone by in the blink of an eye and the routines here on both campuses, are as if we were never away. It is wonderful to see our children returning to school and despite the sleepy eyes and the clutching of the blankets, as they try to escape the cold, they are grateful to be back.

THE SEARCH IS ALMOST OVER!

I know that our ECD parents are anxious with regards to the appointment of our ECD Head and the process is reaching it's final stages. I will communicate the details with you as soon as it has been finalized. I appreciate your understanding and patience in this matter.

PARENT CONSULTATIONS

The Foundation Phase parents attended their parent consultation meetings this week and I am confident that you have engaged with the teachers with regards to the progress of our children. If you require further meetings, please feel free to contact me and I will arrange this. Our learners' success depends on a strong partnership between us.

TAKE CARE

We would like to wish Ms Leoni de Bruyn well for the next two weeks as she prepares for an important family matter. I know that we will collectively offer our support to her and her family during this time. I am confident that our parents understand the urgency of these circumstances. Additional arrangements have been made and this will be communicated shortly.

ART EXHIBITION

The Art Exhibition will also be taking place on Friday the 28 July 2023 and judging by the incredible response to our Science Fair, I am excited to see you celebrate our children again. More details will follow next week.

OPEN DAY - 29 JULY 2023

Our Open Day is on the Horizon and I look forward to meeting our new parents as well as our Grade R parents who are invited to come and watch our inter-school sports day specifically for the Grade R learners. We have invited our neighbours and will engage in some friendly races and matches. Lets get onto the field and support our children. I know that many of our parents would like to be involved and assist us with our Open Day, so feel free to contact ninke@ridgewaycollege.co.za. You also have the option of having a stall on the day (at no cost) to showcase your business or sell a few treats and goodies. I am aware that this is something that was requested by many parents at the beginning of the year, so I am looking forward to seeing you come through and make the day a memorable one. Invite your friends and families over and lets have some fun together. There are also parent events (Tug of War, Sack Races etc) for you to enjoy!
