The morning gets better with Ridgeway coffee.

MOTHERS COME JOIN US on the 12th of May from 07:00-07:30

CHESS CHAMPION

Our children are actively involved in the Chess league and participated at Louis Trichardt Primary last week. They performed like champions and we are proud of them. Congratulations to Aryan Metha for winning all 4 of his matches and best of luck for the remainder of the season.

MOTHER'S DAY!

Today we host our inaugural Coffee Drive-Thru in honour of our special mums. I trust that you enjoyed this small treat and it is the start of a weekend full of spoils. Please see the attached Mother's day Message on D6 from Mr Govender.

Happy Mother's Day

NETBALL & SOCCER

The Netball and Soccer season is in full swing with several extra practice sessions which were organised by the coaches. We will be in Levubu this weekend as we start to prepare for the major festival coming up in Benoni, Johannesburg. We are confident that a few trophies will be coming home.

CONGRATULATIONS!

Congratulations to Mikhail Chakwazira for competing in Soccer matches for his Academy last weekend. Mikhail is one of our many soccer stars who always finds his name on the scoresheet among the top scorers and we watch his career with anticipation. We are confident that we will be seeing him play professionally in our Local PSL and even one day take on the world.

Our Annual Science Fair is also around the corner and we know that you are busy assisting our learners with these projects. We hope to see you at this event. More information about the event is available on D6.
