WRITING

### Why is creativity important?

Creative activities enable children to experiment with thought process, actions and materials and can provide good opportunities for problem solving, collaboration and negotiation – all of which are key skills for life, as they grow older.

### Creative Art Competition

Grade R's only

Took place on the 21st of August 2024 - Top 5 per class will go through to the final round on the 10th of September 2024.
