TERM 3 ACTIVITY EDITION

FOLLOW AND LIKE US ON FACEBOOK - RIDGEWAY COLLEGE ECD

Dancing

Dancing assists children to self-regulate which helps to develop spatial awareness, essential for moving safely in their environment.

Soccer

Playing soccer helps children build valuable life skills, such as hard work, decision-making, problem-solving, and communication.

Gymnastics

Introducing your child to gymnastics will develop physical strength, mental toughness and self-discipline.

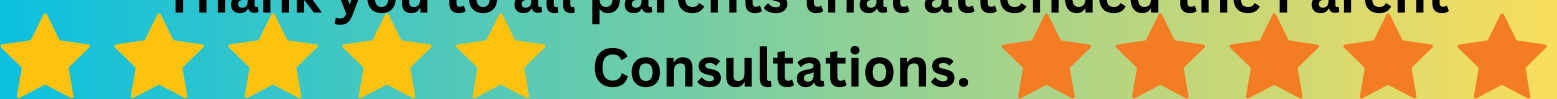

Horse-riding

Horse riding allows a child to make a close connection with an animal and provides an exceptional life experience.

Upcoming Event:

Nelson Mandela Outreach Project

This year ECD will support Door of Hope. This charity cares for abandoned babies. During the month of July we will collect Nappies in different sizes and or wipes.

How can you help?

If you would like to support this initiative, drop off your nappies in the box in the school foyer.

Thank you for your donations so far.
